Before we travelled to Greece we had lessons of English and Greek language. Also the important information was told to us about the trip and our destination.

During our time in Greece there are couple of trips planned for us . It will allow people who have never been to Greece to explore a little of the world. We already were in monasteries in Meteora, Town of Platamonas and archeological park in Dion. We will also sail on a boat to the island of Skiatos and the trip to Thessaloniki. We also improve our english by for example by talking with the hotel employees or by going to the shop.

BENEFITS OF THIS PROJECT:

- ✓ BETTER LANGUAGE
- ✓ TRAVEL AROUND THE WORLD
- ✓ MEETING PEOPLE
- ✓ PROMOTION OF THE REGIONS OF RESIDENCE
- ✓ LEARNING ABOUT LOCAL CULTURE
- ✓ UNFORGETTABLE EXPERIENCES
